

RESTORE-Newsletter issue 2

This newsletter was produced and published within the work package 8 ("Dissemination"). The aim of the RESTORE newsletter is to inform various target groups and players involved in the primary health care of migrants. This is the second of three newsletters during our 48-month project.

RESTORE-Newsletter issue 1

This newsletter was produced and published within the work package 8 ("Dissemination"). The aim of the RESTORE newsletter is to inform various target groups and players involved in the primary health care of migrants. In the course of the 48-month project we are planning a total of three newsletters.
